## Summary

I am a highly motivated, conscientious, and competent collaborator who possess in-depth knowledge and expertise within this industry. With a proven track record of achievement, I can bring positivity, support, and a creative mindset to any team. I pride myself on taking ownership of challenging problems, maintaining high standards, and assisting my employer in achieving their commercial objectives. With a desire and passion for continuous professional development, I am confident I can add value to your organization by always ensuring your customers and clients receive the best service possible. With my knowledge in similar roles, I can be relied upon to deliver everything that I set out to achieve, whilst always seeking ways to help my employer grow, and save them money at the same time. Excellent in communication skills, problem-solving, critical-thinking skills, analytical skills, quick learner, research skills, competitive programming (**Leetcode**, **Gfg**, **CodeChef**), and so on.
